

WHEAT BREADS

From K. S. A. C. Extension Division
Winter dairying makes a profitable addition to wheat farming.

Rain proof, rat proof and well ventilated poultry equipment will reduce the number of lost chicks.

For all practical purposes the grain sorghums are as good for fattening hogs as corn.

Kansas is advantageously located for selling surplus dairy cattle. Farmers in the states to the west and southwest are not going to travel across Kansas to buy cattle if they can find them in the state.

If chicks are well fed during the summer there will be no need for drugs to make the pullets lay in the fall.

In a herd of ten cows it will take six minutes a day to weigh and record the weight of the milk produced.

Lice and mites have a marked effect on the number of chicks raised each year and on the number of eggs laid by the mature hens.

Arsenate of lead dusted on cucumber and melon plants will stop the ravages of the striped and spotted cucumber beetles.

The week of June 5th is regarded as wool pooling week in Kansas. The majority of county wool pooling associations have again voted to ship the wool to Chicago through the state association.

MANY NEW FEATURES
AT THE STATE FAIR

Among the new features at the Kansas State Fair which will be held at Hutchinson, September 16 to 22, inclusive, will be the Style Show with a bevy of living models, the Kansas Radio Exposition and the Saddle Horse exhibition. The Style Show will prove one of the most interesting and educational features of the State Fair for the women folks as not alone will the latest styles in women's clothing be shown, but instructive lectures will be given telling how to make and economize on such clothing. The Radio Exposition at the Fair will of course be a popular as well as educational feature. The 1922 Prize List is now ready for distribution. Write for one.

Miss Sadie Logue, accompanied by her sister, Mrs. Dollie Nichols, and her husband, are in New Mexico, on a short outing trip.

These people have lived here for the past four years and their many acquaintances are sorry that they are leaving.

Hupmobile

More than all else, the one thing that makes a man say, "It pays to own the Hupmobile," is the uncommon way it stays fit, with the least of expert tuning and tinkering; and the way it lasts.

Can you think of any other car, high priced or low-priced, that has the same kind of fine reputation everywhere?

KANSAS STATE FAIR
OFFERS MORE MONEY

New Prize List of Fair Now Ready
—More Money Offered for the
Boys' and Girls' Clubs

Last year the Kansas State Fair, which is held at Hutchinson, offered a total of \$40,000.00 in prizes and the 1922 Prize List which is just off the press and ready for distribution shows that this amount will be increased this year to care for some added classes of exhibits. One of the largest departments to receive more prize money is the boys' and girls' departments. Fifteen hundred dollars in prize money has been added to this big feature of the State Fair. More prize money will be offered for the pig and calf club classes this year. Anyone desiring a copy of the 1922 Prize List should address Secretary Kansas State Fair, Hutchinson, Kansas. The State Fair will be held from September 16th to the 22nd, inclusive.

FROM HERE AND THERE

A friend in need is apt to keep you broke.

The bad man is usually the good one who was found out.

A lot of chaps who run for office may do it just for exercise.

Perhaps one reason some autos are slow is that they are tired.

About the time a fellow thinks he is a "big gun" some one comes along and fires him.

Looks as if a lot of the girls were actively participating in the "paint up" campaign.

The fellow who watches the clock can hardly expect to be anything but one of the hands.

The skirts won't be much shorter as long as they have two good reasons for wearing 'em short.

Since the modern bath tubs have been installed, it is pretty hard to tell when Saturday night rolls around.

If some fellows would only put as much "pep" in their work as they do in their "cussin", there would be more rich folks.

Sometimes a fellow gets pretty well along in years before he realizes that brains were given him not solely for hair fertilizer.

It's well enough to talk about what you have done, but that don't feed the children. What the deuce can or are you doing now.

Now that its getting warm the women who wore openneck dresses all winter are putting on furs.

LIBERAL MEN HERE
ON ROAD BUSINESS

Several of the good road boosters of Liberal, Kansas, were here Wednesday in conference with our Chamber of Commerce officials in regard to matters pertaining to the Veteran Memorial Highway. Those from Liberal were Lee Larrabee, Ralph Summers and Secretary King of the Liberal Chamber of Commerce. They were accompanied by J. E. Bute of Stratton, Nebraska. Mr. Bute is secretary-manager of this big national highway which is now being marked and logged from the Canadian border as far north as Perryton. This highway will eventually be continued on south to the Gulf, and will in all probability parallel the D. C. D. from this point to the Gulf.—Perryton, Texas, Herald.
